DVD - HIGHLIGHTS & OBJECTIVES

- **Presentation on Clinical Application of Hypnosis**
- **Teaches a Variety of Demonstrations on Hypnotic Inductions**
- **Learn to Manage & Assist Your Patient's Lives in a Healthier Manner**
- **Created by the CSCH Faculty from Various Disciplines**
- **Several Approaches for Inducing are Demonstrated**

Hypnosis can be utilized both diagnostically—that is to identify the root causes of a particular issue, it is also one of the most powerful techniques for re-educating and re-programming the subconscious with more empowering suggestions and beliefs. What will be observed in this DVD will help you in integrating Hypnosis into your various private practices and academic appointments
